

PAPER REINVENTED

KNOCK KNOCK®

See page 24

Make your promo or appreciation item fun and different. Knock Knock® items are a great gift. And now, with our unique partnership, you can personalize these items with your branding! Knock Knock® adds humor, creativity and smarts to your effort.

CUSTOM FIRST SHEET

See page 9-15

Looking for something a little different? A Thank You? How about an Invitation? Perhaps Marketing Collateral? Our new custom first sheet product provides you the opportunity to deliver a message on a product people love. And after your top sheet message is delivered, your brand will have real staying power in the form of a useful cube or pad. Call us for free samples!

WALL SAFE SIGNAGE

See page 28-33

With our Stik-Withit® adhesive, your signage will never lose its removability. And yet, the adhesive will remain strong. It is truly a superior product. Perfect for bumper stickers, temporary or even more permanent signage. Think about dorm rooms and hospitals or even corporate America where change is the only constant. Within our catalog you will also find dry erase product that uses this same Stik-Withit® adhesive and our newly launched Fridgestrips® with adhesive on both sides of the sheet. Call us for free samples!
